## KONA

### The Everyday Performer

Designed for daily use and built for volume, Kona is the dependable choice for active, high-traffic workspaces. Featuring ergonomic back support with a clean, no-fuss invisible lumbar design, it delivers consistent comfort where it matters most — making it ideal for everyday offices that prioritize reliability and smart investment. Kona works as hard as your team does.

**1. HEADREST**  
The two-pivoted headrest allows precise adjustments of the height, giving comfort and support to neck and head at the any seating position.

**3. LUMBER SUPPORT**  
Artfully designed moulded polyamide backrest can be arched to create an excellent support for the lumbar and disperse overall pressure on the spine discs, allowing ergonomic comfort and stability. On top of that, the lumbar is made from a special flexible material, providing the lumbar with resilience, and an adjustment of height up to 80mm.

**2. MESH BACKREST**  
Promotes greater ventilation and free airflow to the skin, while the contoured shape provides superior comfort.

**4. POLYURETHANE MOULDED FOAM**  
High density polyurethane moulded foam comes with fire retardant feature, gives the seat flexibility to comfort user, provides great support and best comfort even for long seating hours. The black finish seat cover below is designed for greater protection to the foam, quality upholstery and user safety.

**6. MULTI LOCKING MECHANISM with AUTO TENSION ADJUSTMENT**  
Point synchronized technology using synchronized mechanism in 4 locking positions, with 100% weight sensitivity makes no tension adjustment required. The synchronized movement is backrest 21° and seat is 7.1° ensures complete comfort.

**7. ADJUSTABLE 3D ARMREST with POLYURETHANE ARMPAD**  
Besides adjustment of the height, the armpad also can be adjusted. The height of the armrest can adjust up to 70mm. Armpad also can be slide forward and backward to the length of 60mm with a rotation adjustment 17° inward and 17° outward to firmly support elbow and eliminate stress for extended hours of work.

**8. NYLON BASE**  
Solid, safe and stable  
5-prong nylon base provides strong stability.

**9. NYLON CASTORS**  
60mm nylon dual-wheel castors are designed for easy manoeuvring.
