Aesthetic yet practical appearance defines Benithem's latest office seating collection, the B-FIVE stackable chair. The seat is shaped in balanced dimensions with just the right amount of softness. This is hand-upholstered in-house by our skilled craftsmen. Made from a highly flexible and elastic mesh, the backrest is sure to give the user's back freedom to move and adopt a natural sitting posture. The polypropylene armrests extend from the backrest flowing forward along the curve, matching the steel frame, creating an elegant yet sturdy seating solution.
