Z365

Z365

Z365 represents the possibilities of what can be accomplished when our designers have no boundaries. It is a practical yet luxurious seating solution. It comes with synchron mechanism and showcases all of its controls within the user's reach. The standard version includes 4D armrests with soft pads, as well as a lumbar support which has adjustable height and depth.

Z365

With its gleaming and well-though out design, Z365 is a luxurious seating solution in our office chair fleet. Its warm and domestic personality is characterised by its soft yet flamboyant looking silhouette. Its high-quality plastic back frames creates a harmonious connection that flows seamlessly into the armrests, which gives Z365 a unique style and vibe.

Z365

function

1.HEADREST
The height adjustable headrest allows angle and height adjustments, giving comfort and support to neck and head at the any seating position.

2.MESH BACKREST
Designed to offer a pleasant feel of mesh along with firmer durability and higher elasticity, also releases heat and moisture to achieve an ideal thermal control.

3.LUMBAR SUPPORT
The most unique feature of the Z365 is Hyper-active Lumbar Support that provides a healthy seating posture and spinal support. It is adjustable to suit your preferred posture when you are in motion or at rest,

4.PU MOULDED SEAT FOAM
High density polyurethane moulded foam comes with fire retardant feature, gives the seat flexibility to comfort user, provides great support and best comfort even for long seating hours.

5.SEAT DEPTH ADJUSTMENT
The seat has a sliding mechanism for forward expansion up to 50mm to allow users of all heights to be able to adjust the distance of the seat from the backseat for their maximum comfort.

SEAT HEIGHT ADJUSTMENT
The 90mm Class 4 pneumatic adjustable gas lift allows users to sit at the correct height to the desk.

6.ADJUSTABLE ARM (4D ARM)
The 4D arms are available with the functions of height adjustments up to 100mm and 25mm of arm expansion. Not only that, the arm pad can slide up to 50mm and rotate.

7.MECHANISM
Point synchronized technology using Synchronized mechanism in multi-locking positions, with anti-return prevention safety function. The synchronized adjustment of the backrest and seat in the ratio of 2:1 ensures complete comfort.

8.SLEEK ALUMINIUM BASE
Solid, safe and stable 5 pronged sleek aluminium base provides strong stability.

9.NYLON CASTORS
60mm nylon dual-wheel castors are designed for easy maneouvring.
